**SERVICES, AND/OR EARLY BUS REPLACEMENT**

1. Pursuant to IC 20-40-18-9(3)(A), if the School Corporation is seeking to acquire or contract for transportation services that will provide for additional school buses or buses with a larger seating capacity as compared to the number and type of school buses from the prior school year, explain for each additional bus and the circumstances of the demand for increased transportation services within the School Corporation. The District anticipates purchasing one bus in 2019 due to bus overcrowding from increase in student population.
