State Assistance

All Scott County School District 2 families will receive an application to apply for state assistance in the mail or they will receive a letter notifying them of direct certification. These applications serve to determine whether a student is eligible to receive free or reduced meals and/or textbook rental assistance. **A new application needs to be filled out each school year to determine eligibility. These applications should be filled out and returned before the registration process begins.** (If your household receives a letter of Direct Certification, an application does not need to be completed.) If you receive textbook rental assistance, you will be billed for the remaining portion at a later date.
